

## Wheelbarrows.

Please return these to the storage area when you have finished with them. They are for everyones use.

## Water Taps

Please ensure the water taps are turned off properly after use.

## Competition Time

We will be running 2 competitions over the growing seasons....details to follow in the June newsletter

## Internet Visits

Since Jan 2018 we have had 2,176 views and 296 visitors.

## Car Parking

We are hoping to secure a grant from Leeds City Council to make a car park area at the bottom left hand corner of the site (Old Lane Access end) that maybe completed by the end of the year.

## Jam Jars

Hazel Spindley, plot 41, has about two dozen jam jars that could be used for pickling or if

plot members are making jam. Please see Mark Burton, plot 14, if you require any.

## Profile Sandra Deacon

q.1 Plot number?: 59

q.2 How long a plot holder?: 2 years

q.3 Why did an allotment appeal?

To grow your own food and share tips about gardening.

q.4 How does your allotment benefit you?

It gets you out into the community and to meet different people. It has health benefits and it is always friendly and I'm looking forward for many more years.

## Stones on the Driveway

A plea from Reg can folk not leave stones or rubbish on the driveway as it is damaging the mower.

## Democracy

The Committee meets on the first Sunday of each month. If you have something to raise please put it in writing and leave in the suggestion box in the toilet area.
