Profile of a Plot Holder

David Poole: Plot 56

I've had my plot for 3 years. Since retirement, it gives me something to do, instead of sat in front of the television. I feel that I have acquired a lot of knowledge over the years I have had it.

The benefit is the food I grow for my family but also the satisfaction I get from doing something useful.

Fox Number 2

Taken in July in the hot weather this fox seems just as at home as the last one.

Democracy

The Committee meets on the first Sunday of each month. If you have something to raise please put it in writing and leave in the suggestion box in the toilet area.
